He married MARY EMMA FRANCIS 06 Jan 1873 in Brown County, Ohio. She was born 21 Feb 1854 in Ohio, and died 25 Jun 1885 in Pike (or maybe Clark) Township, Ohio.

Notes for LAFAYETTE G. PENNY:

Notes from a visit with Langdon Penney March 18, 2000.

Lafe Penney could not write very well because he never went to school. So when he wrote his name it looked like "Penny" and that's how it went from Penney to Penny and remained that way.

Lafe bought 100 acres of virgin timber land in Pike Township, in Locust Ridge, Ohio - then he bought 26 more acres. He gave the 100 acres to his two daughters and the 26 acres to his sister.

His sister, Hannah built a nice log cabin on her land, and it's still there today.

Lafe was in the Civil War - the Ohio Company. While in the war, he got off his horse, leaned over to get a drink, and a sniper was up in the tree above him and shot him through his leg. He laid for three days before anyone could get to him. When they finally got to him, gangrene had set in and they gave him a swig of whiskey and a piece of wood to bite, then sawed his leg off with a saw. He did recover and lived with one leg gone just below the knee for the rest of his life. (A story that I found on the internet says that Lafayette got a gunshot wound to the right leg below the knee, and on his train trip from Gallatin, Tennessee to Louisville, Kentucky, his right foot was caught by the railroad car while in motion and his leg had to be amputated below the knee. The operation was performed at the Branch A Hospital in Louisville on about March 4, 1864.)

Lafe had 11 brothers and 1 sister. Granddad never knew them very well, and some of them he didn't know at all. He knows they are buried at Mt. Orab, Georgetown, New Hope & New Harmony Cemeteries.

The Penney's settled in Pennsylvania when they came here from Ireland. Rumor has it that when they were in Ireland the name was McPenney. Granddad doesn't know when they came to America.

Two of Lafe's brothers names were Bill and Charlie, and his sister's name was Hannah.

Lafe's parents are buried at New Harmony Cemetery.

Lafe and Mary's daughter's name was Hannah Floretta, she went by "Ettie".

Notes for RUTH VIOLA PENNY:  
Aunt Ruth was Glenn's favorite aunt. She was always very good to him and his brothers as they were growing up.

I also had the pleasure of knowing Aunt Ruth. She was an amazing lady who loved animals more than she loved herself. She was always taking care of an animal of some kind.

We went to Clearwater Florida to visit Aunt Ruth, the summer of 19 , and took Glenn's mom with us. Aunt Ruth was always very good to June (Glenn's mom).

When we were at her house in Florida, the animals would just walk up to her front door when they were hungry, she could feed the birds, squirrels, and many others from her hand! It was really neat!

Aunt Ruth lived with Mike for years before they were ever married.

She was ALWAYS happy, and not in good health for a long time before her death. She had diabetes, and congestive heart failure.

Notes from a visit with Granddad March 18, 2000.

Aunt Ruth was a beautician in Avondale, Ohio with her sister, Martie. They worked for Mr. Rankin, the owner of the El Rancho Rankin and other hotels. The El Rancho Rankin was in Mt. Washington, Ohio, and was torn down last year (1999) and a Biggs Supermarket was put in its place.

Aunt Ruth then went to work for GE as a Data Entry Clerk.

Notes from a visit with Granddad March 18, 2000.

While Velma was pregnant, they told her husband that they could save either the mother or the baby, but one of them were going to die. Her husband and Langdon told them to save the mother. After the birth, they worked on the mother and got her stable, and the baby was still alive. They worked on the baby and saved her, too!

Velma made cookies one time for Christmas and Sid snuck into the closet where she put them, and ate the top layer of cookies and left a note that said "WALDO WAS HERE!" They got a good laugh from that!

He married DAISY MAE NEAL 09 Feb 1931 in Brown County, Ohio, daughter of J. NEAL and FLORA OGDEN. She was born 03 Jul 1911 in Mt. Orab, Ohio, and died Apr 1980.

Notes for LANGDON LAFAYETTE PENNY: (2000)  
Langdon Penny is Glenn Miller's granddad, who Glenn barely knew growing up, but has recently gotten to know him, and Granddad loves for us to come visit him. He lives in the Mt. Healthy Christian Home, in Cincinnati, Ohio. We go see him as often as we can. We love visiting him, he's a wonderful person.

We visited him to get family history information on March 18, 2000 - and we had as much fun hearing all of it, as he had telling it! He is 91 years old now, and sharp as can be. He knew birth and death dates, places, and gave us lots of good information for our family tree. The following is what he told us...

Langdon was named after Dr. Langdon, who owned lots of land called "Langdon Farms" in Cincinnati, which is still there today. Dr. Langdon was also Chief of Staff at General Hospital in Cincinnati, Ohio.

Langdon's middle name is Lafayette, after his grandfather. He hates this name and almost did not tell us what it was! He said just put an "L".

Langdon Penny was a Farmer when he married Daisy Neal. He was a farmer until he was 24 years old. He then worked for the WPA - (Work Product Association) during the depression. One week after he started working, Mickey Greene (his boss) called him off the line and made him a Time-Keeper because he was the only employee with a high school education.

He moved to Mt. Orab, Ohio and worked at Ursula Academy, building dams. He worked 26 months then was transferred to Peebles, Ohio. The depression ended, so he started working in the office at the "Old Peebles Quarry", that became "Plum Run Stone Quarry", which is still there today. It's located on Portsmouth Road near Peebles, Ohio.

Langdon, then moved on to Wright Aeronautical. It closed down (36,000 employees lost jobs). He next worked at Roslo Furnace Company. He was working there, when one day Wright Aeronautical called him to come back to do inventory and he told them no because he was afraid of losing another job. So he decided to stay with Roslo. Soon after he declined that position, Wright Aeronautical became GE.

Langdon drove a Taxi Cab in Silverton, Ohio until he got a job at GE, which is where he retired from on September 1, 1971.

After he retired from GE in 1971, he worked for one year at Key GMC, then he quit there to enjoy his life. He left there in September 1972.

In September 1972, he went to DeLeon Springs, Florida (near Leesburg) where he spent his winter for the next 2 years, next he moved to an apartment in DeLand, Florida, then to Eustis, Florida where he stayed every winter for 19 years.

One summer when he came back to Ohio, he stayed in hotels/motels the entire summer. He stayed in Hillsboro one summer, then went to West Union for part of the next summer, then he stayed in Georgetown for the next 2 or 3 summers. He said he just wanted a variety - something different!

Every summer after that, he stayed with his son, Jim and his wife Rita. He said he helped with the garden and helped take care of the yard, etc. while he lived with them. They live on 3 acres in Hamilton, Ohio on Hamilton-New London Road which is near the home where Granddad lives now.

He also told us a story about "BLUE CAT", who was a cat he had while living at Jim and Rita's for the summers. He loved this cat a lot. He said he was sure she knew what he said to her! She would follow him around and help him in the garden and yard. She slept in a box in the garage, and in the morning when he was ready to go work in the yard, he would say her name, and she would jump out of the box and follow him all day. When he would stop to take a break, he'd sit in a chair in the yard, and she would get on his lap and sleep for long periods of time. He would throw walnuts and she would go get them and bring them back to him. He said they would play like that for hours! Blue Cat was killed by a car in front of their house while crossing the road.

Langdon has been to/through every state of the United States except seven of them. Three of them being Maine, Vermont, and New Hampshire.

Granddad also told us about a '36 Plymouth that he had and was VERY proud of it. He said it was a really pretty car. But in order to drive it (because of the depression), he had to haul at least 4 people a day because of the gas ration.
